Summer school in Riga, Latvia

This intensive study program took place from the 26th of May to the 2nd of June at the Riga Graduate School of Law, in Riga, the capital of Latvia. The summer school involved the testing and evaluation of courses and associated instructional materials for the two courses: "Business and Natural Resources Rights" and "Global Environment Litigation". French, Latvian and Finnish students from the three partner universities participated.

Winter school in Rovaniemi, Finland

This intensive study program took place from the 19th to the 26th of January 2020 in Rovaniemi, the capital of Lapland, the northern most region in Finland. The winter school involved the testing and evaluation of courses and associated instructional materials. French, Latvian and Finnish students from the three partner universities participated in two courses that were created within the project: "Multilevel Governance of

Natural
Resources in the
Arctic" and
"Arctic
Indigenous
Peoples Law."
