

SUMMER SCHOOL IN RIGA, LATVIA

This intensive study program took place from the 26th of May to the 2nd of June at the Riga Graduate School of Law, in Riga, the capital of Latvia. The summer school involved the testing and evaluation of courses and associated instructional materials for the two courses: "Business and Natural Resources Rights" and "Global Environment Litigation". French, Latvian and Finnish students from the three partner universities participated.

From the 26th of May to the 2nd of June 2019

Riga, Latvia

French, Latvian and Finnish students from the three partner universities participated in two courses that were created within the project:
